

**PAPU**

Pan-African Psychology Union

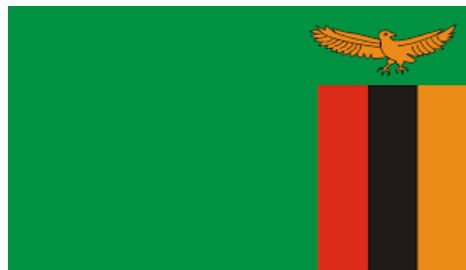

---

## PAPU's History

---

PAPU President

Prof Saths Cooper

# PAPU Cape Town Declaration 22 July 2012

Whereas psychology has the potential to serve as a key driver in human development in our communities, Africa & the world, Recognising the

- Critical role of psychology in policy development, advocacy, continuing professional development, teaching, research, publication, outreach services, & other forms of intervention
- Strength of psychology as an agent for change, development & empowerment of individuals & communities
- Value of mutual collaboration towards the achievement of these goals

# **PAPU Inaugurated** 16 September 2014 post-regional meetings Accra, Kampala, Johannesburg

To promote the development of psychology as a science and practice in our countries, Africa and the world

## **Vision**

A collaborative union of psychological societies in Africa committed to scholarship and human development in our communities, countries, Africa and the world
